Introduction from the President

Greetings,

We had another great turn out this Saturday for our August in-person membership meeting. We live streamed our entire meeting the first time with success. The membership voted to buy Test Equipment for the club loaner program. Thank you Tom N5ATR for presenting on the topic “The National Traffic Management System-Overview”. Our two Club Elmers are ready to address your questions. Thank you Marc KD6KR and MaryAnn NS7X for leading this new program.

We did receive a donation of equipment from the family of Silent Key Bill Harwood - W5WH. We have several adventures and events planned for August and September. Please read all about these items in the contents below. There is someone or AI spoofing my callsign and name followed by random numbers by text

(i.e: mikesmithki5nbp1467375). They are attempting to get you to buy gift cards. Several members have contacted me about THE text they have received stating this. Please do not respond to these texts or email. I will contact you by phone or in person for any direct request. I look forward to hearing from you on the HDARC State-wide Saturday Chat Shack Net at 10:00 AM on the Mega Link. Don't forget about the Wednesday ZOOM lunchtime noon chatroom for an informal visit with fellow HAMS on all things HAM radio.

73 Mike KI5NBP

Club Repeaters and Simplex Frequencies

The Club has Two Repeaters, 442.750+ PL 162.2 on Sandia Crest and 145.370 - PL 162.2 in Edgewood. The Club uses two Simplex frequencies, 146.460 and 446.025

Join the FUN, join the Club

Are you aware that the HDARC is one of the most active Amateur Radio Clubs in New Mexico? Well, it is! Read on and find out! Tell a friend! www.nm5hd.org

To become a club member go to www.nm5hd.org and click on the "[become a member](#)" tab to join the ever growing group of the coolest Hams in New Mexico, you'll be glad you did!

Welcome New Members

Glenn Boudreaux KA5PTG
Alan P Deme
Marc Librie

Silent Key - Bill Harwood W5WH **Donation of Equipment**

I was contacted by the widow of Bill-W5WH through Elaine KJ5ATL. Bill passed about 8 months ago. His family wanted to donate some of Bill's HAM shack to us. Bill's wife, Tanya, shared with me that Bill-W5WH and Silent Key Wes NM5WJ would talk often and that's how Bill and her became aware of our clubs efforts with new hams and charter schools. When I visited Tanya last Friday at her home I was greeted by the family. Their wish is for us to use the equipment donation in any matter that supports new hams, charter schools and any other matters that benefits our club. We received 5 HF Transceivers, 2 ICOM AH 4 external antenna tuners, 5 various makes of power supplies, various antenna masts and what appears to be a gently used yagi antenna and ringo antenna. There were various other items. This is not the complete inventory. I have inventoried the items and it is a 3 page list. Mike C NM5MC has agreed to test the 5 HF Transceivers to see if they power up and function. I wish to thank Tanya and her family for this generous donation.

HAM related question-Contact the ELMERS!

Our new Elmers, MaryAnn NS7X and Marc Matheson KD6KR have met and outlined the beginning of an ELMER program for the club. A big 73 to Bill K8TE for providing us guidance. MaryAnn and Marc are ready to receive questions through email. Be specific about your questions/requests and please give them your contact info. in the email.

MaryAnn NS7X can be contacted through ns7x@arrl.net

Marc KD6KR can be contacted through kd6kr@arrl.net

ELMERS are defined as an experienced operator who takes someone under his or her wing, providing personal guidance and answers to the thousands of questions that confront a newbie. In our case it would include those wanting to upgrade.

The New Ham Workshop

The New HAM Workshop presented by David N6SIK took place last night during the time of publication for this newsletter. We will report how the workshop went next week.

Live Streaming HDARC Monthly Meetings on ZOOM-NEW

We live streamed this past Saturday's monthly membership meeting on ZOOM. The technical portion went well. We had 1 member sign into the stream. Their report was that the audio and picture quality was of good quality. The position of the device we use to stream will be placed closer to the TV when a slide deck is being shown next time. The next live stream will happen during the October 19, 2024 membership meeting.

2024 Spaceport America Open House

We are confirmed to participate in the Spaceport America near Hatch NM on September 8, 2024. I have registered those members that came forward and volunteered to participate. We will be demonstrating Amateur Radio and how it aligns/relates with Space.

This will be a long day. 2-2.5 hour drive to the Spaceport. We must set up at Spaceport America between 0800hr and 1000 hrs local time. Breakdown is between 1400 - 1500 hours local time.

Here is an updated roster of our HDARC Spaceport America Demonstration team is:

**Yul WA5YUL
David N6SIK
Becky N6TYT
Rob KI5NBN
Ken AG5UY
Mike S. KI5NBP
Tom KI5JOO
Hailey KI5KAF
Mike C. NM5MC
Carol K5TFL**

Thank you for volunteering. These attending will receive an event agenda soon. This event requires anyone wishing to attend to obtain a ticket to attend. They are having a morning and afternoon event. To obtain tickets if you wish to attend go to this url, <https://www.spaceportamerica.com/open-house/>. The address to Spaceport USA is: Co Rd A021, Truth or Consequences, NM 87901

2024 Duke City Hamfest and Convention

The 2024 DCHF is September 20-22, 2024. The HDARC is a sponsor of the 2024 DCHF. I want to recognize and thank the following HDARC members for volunteering at the 2024 DCHF:

Staffing our HDARC Club Table

Harvey -KI5YVY

Bob- N5UKA

Tim-KY5YK

Steve- WB9ZRE

Forum Room Host

Jeff - W5OMU

Sean- KJ5USN

Harvey-KI5YVY

Forum Presenter

MaryAnn -NS7X

John- KI5YIF

I still need a few volunteers for the role of Forum Room Host. Please reach out to me at 505-401-0219 if you can help on Saturday Sept 21, 2024. I will cover your \$15.00 registration fee for the whole event.

All HDARC members are encouraged to attend to the Hamfest and Convention. To see the schedule of events and to register go to <https://www.dukecityhamfest.org/>

HDARC Member Name Badges/Hats/Shirts

I have been asked by members how to purchase a HDARC Membership Badge. [Click Here](#) to be directed to our vendor's web store.

HDARC Shirts,hats,and other Club gear can be ordered from Rio Rancho T-Shirts, 1207 Golf Course Rd SE Ste F, Rio Rancho, NM 87124. Speak with Wayne or Penny at: (505) 891-1521

HAMMING AROUND NEW MEXICO -[NEW](#)

Saturday, August 31st Alamogordo Hamfest 7am-3pm
Past-President Dave N6SIK and Becky N6TYT will be traveling down a few days prior to the Hamfest to visit the local sites. We will be staying in the local KOA campground. You're all invited to join them. The more the merrier. Alamogordo is about a 3-hour drive from the Big I. Saturday afternoon we can fire up the radios and see who we can chat with.

Weekend of October 4-5-6 Cooke's Canyon north of Deming. Drive down on Friday the 4 th and stay at the Desert Vista RV campground. 2020 Hatch Hwy, Deming, NM 88030. Join them at the campground if you wish or make other arrangements. Deming is about a 3.5 hour drive from Big I.

Saturday morning, we will get an early start so we can visit many of the historic sites important to the history of New Mexico. These are good dirt roads with only a few rough spots so any good ground clearance vehicle should be okay. We will venture out to visit places like Cooke's City, Fort Cummings, the old Butterfield Trail and the Wells Fargo Stage Route and Massacre Canyon. In the coming months they will provide fascinating stories in the weekly newsletter. Saturday afternoon and Sunday morning we can fire up the radios and see who we can chat with. For more information contact Past-President David N6SIK.

Saturday September 25, 2024 10:00 AM: HDARC NM5HD

STATEWIDE CHAT SHACK NET on the MEGA Link NM5ML.

NM5MC Mike C is our net controller. [Click Here](#) for more info.

Saturday CHAT SHACK NET/MegaLink

The Saturday 10am CHAT SHACK NET will use the 444.325 + PL 100 and the 145.290 - PL100 on Sandia Crest in order to access the MegaLink system.

NM5HD Net Controllers :

1st Saturday, John Gleeson, K5JVG

2nd Saturday, OPEN . We need volunteers.

3rd Saturday, Club Meeting. No net

4th Saturday, Michael Chirin, NM5MC

5th Saturday, (when needed) Open for a volunteer. Backfilled by Mike Smith, KI5NBP until a volunteer is assigned.

We still need volunteers to run the 2nd Saturday and 5th Saturday of the month nets. John Gleason K5JVG will host the Net this Saturday. V.P. Mike C NM5MC will make the club announcements.

Please join us on this Net. It only takes a few minutes to check in. You can reach this Net from any part of NM because of its design. You just need to be on the right frequency, offset, and PL tone for the local repeater closest to your location at the day and time of the net. I use a HT and have checked in from different parts of the state with minimal issues. For current mega link frequency information go to www.nm5ml.com. If you're having issues programming your radio email hdarcpres@gmail.com. You will be directed to someone in the club that can help you.

Please [click here](#) to see the operational status of NM5ML Mega Link Repeaters.

V.E. Testing

The Institute of HAM Radio Sciences conducts free V.E. testing session at NOON on the 3rd Saturday, of every month immediately following the Monthly HDARC In-Person Club Meeting in classroom #4 at the North Domingo Baca Multigenerational Center. Look for the link [FREE TESTING](#) on the club web page. Please, pre register on the club web page for testing www.nm5hd.org. For more information contact Yul Bratcher at his email, yul.bratcher@att.net A big 73 to YUL and the V.E. team for volunteering their time and resources. Without them this could not happen.

Test Equipment Loaner Program for Members

At the August 2024 membership meeting an expenditure not to exceed \$1000.00 to purchase test equipment for this new program was approved. The authorization has a 120 day spending threshold.

We CURRENTLY have two donated pieces of test equipment; A ZeenKo, NanoVNA-H 4 Handheld Vector Network Analyzer and a Fluke Multimeter. Please consider if you have a piece of gently used and functional test equipment you can donate for this program. HDARC Director Harvey Dove KI5YVY is the lead for this program. Harvey KI5YVY is currently working on the program outline, equipment training program, and loaner process. He is tentatively scheduled to present an outline of how the program will work during the October 2024 Membership Meeting. Any equipment that has been purchased and in our possession to date will be at that membership meeting.

HDARC By-Law Review Progress Report

Here is an update on the actions club officers have taken based on the revisions. We have deposited \$5000.00 into a 8 month CD earning 5 percent. This will act as the budget reserve. COB Ken Ham AG5UY will be added as the third person on the bank account as required by the new revisions.

HDARC CLUB COMMUNICATION TRAILER

Thanks to Rob KI5NBN, progress is being made in repairing, modifying and identifying what we need to make the trailer truly operational. The trailer now has two antenna mounting systems. Thank you Rob KI5NBN for your continued work on the trailer. Our next scheduled outing using the trailer is the Spaceport USA event in September.

The New HAM 10 (or so) Minute Tutorial- NEW

Did you just get your ticket as a new Technician? Here is a quick video on understanding how to make your first contact on 2M or 70 CM. Let's explore:

<https://youtu.be/oYu4fKiZJ4E?si=E8A0PHVAZ5xPdsUV>

Classifieds

Welcome to the classified section. The intent is to give members and other HAMS a place to advertise any HAM related equipment they have for sale. It is also a place for members to list what HAM related equipment they are seeking to buy. Here is our first listing from Chuck KA5PAL who is always checking in on the NM5HD State-wide Chat Shack Net. He is listing the following for sale:

[50 foot Tower \(click on the title\)](#)

Chuck's email is cwstonex@outlook.com

If you have something to post in the classifieds please email it to me no later than Sunday prior to the Wednesday publications date. Email to hdarcpres@gmail.com

Listing 2 from Rob KI5NBN

We just got a Kenwood TM-281 from a Silent Key's family. It is 65 Watts and has the magnetic mount antenna. No mounting bracket.

It retails for over 150 bucks new in the box.

50 bucks to HDARC Members.

Contact me if you are interested in the radio.

HAM RADIO ETIQUETTE

- adapted from the original Amateur's Code, written by Paul M. Segal, W9EEA, in 1928

The Radio Amateur is:

CONSIDERATE...He/[She] never knowingly operates in such a way as to lessen the pleasure of others.

LOYAL...He/[She] offers loyalty, encouragement and support to other amateurs, local clubs, the IARU Radio Society in his/[her] country, through which Amateur Radio in his/[her] country is represented nationally and internationally.

PROGRESSIVE...He/[She] keeps his/[her] station up to date. It is well-built and efficient. His/[Her] operating practice is above reproach.

FRIENDLY...He/[She] operates slowly and patiently when requested; offers friendly advice and counsel to beginners; kind assistance, cooperation and consideration for the interests of others. These are the marks of the amateur spirit.

BALANCED...Radio is a hobby, never interfering with duties owed to family, job, school or community.

PATRIOTIC...His/[Her] station and skills are always ready for service to country and community.

CONCLUSION

Check the club's website often, there are interesting things being added weekly. www.nm5hd.org

I want to thank the club's COB, Kenneth Ham, AG5UY, for maintaining the website. Thanks Yul, WA5YUL and V.E. team for what they do to provide free testing to the public. Thanks to those of you who provided content for this newsletters. Feel free to reach out to me anytime at hdarcpres@gmail.com. If you wish to add content to the weekly newsletter the deadline for submission is Monday preceding the Wednesday publication date. I hope to hear you on Saturday's HDARC State-wide Net on the Mega-Link.

73 Mike
